(PHILADELPHIA, PA) -- LifeThirst is pleased to present Worship the Creator: Creation vs. Evolution Tour to be held on Saturday, October 10th at Berean Bible Church (2675 East High Street, Pottstown, PA 19464). The event will feature a night of amplified worship with Nashville-based Contemporary Christian recording artist Laura Kaczor, guest speakers and the Mobile Dinosaur Museum - a live display of real dinosaur skeletons.

LifeThirst has joined with the Institute for Creation Research (www.icr.org) and WBYN-FM (www.1075Alive.fm) to bring this family-friendly event to the Philadelphia area. With schools no longer teaching Biblical creation, LifeThirst's mission is to raise up a generation equipped to defend the truth.

The Worship the Creator: Creation vs. Evolution event will feature ICR speakers, dinosaur expert Brian Thomas, MS and Dr. Randy Guliuzza, MD, Harvard graduate and the former Chief of Aerospace Medicine (U.S.
